**PARISH PRAYER**

Come Holy Spirit, we pray you guide our Parish community, all leaders and those in positions of responsibility. Fill them with wisdom, knowledge and Understanding. Guide them and bring them to unity in their decisions, that your will may be done. We pray for our aged and sick, grant them peace, that they may experience your love and healing presence in their lives. We pray for our parents and families, that they pray together, be tolerant and patient with each other, growing in faith, love and understanding. Guide our youth and children that they may grow in their trust of you and be strengthened in their faith, as they grow to maturity. Inspire our school teachers, staff and children that they may grow in love. May each of us manifest the fruits and gifts of your Holy Spirit, as we minister to each other with love, joy, peace, patience, kindness, goodness, trustfulness, gentleness and self control. We ask this through Jesus Christ, Our Lord.  
Amen.

Voice for the voiceless: A statement by the Catholic Bishops of Australia on the 2016 election

The economy of course is important and there does need to be sound management. But, as Pope Francis has pointed out, there is also a danger that the economy can become a kind of false god to which even human beings have to be sacrificed. Australia’s Catholic bishops have called for the voices of the thrown-away people to be heard in the long federal election campaign. The bishops today issued a statement on the 2016 Federal Election, addressed to Catholics and all people of goodwill. The bishops of Australia have traditionally published an election statement. You can find the full statement, including the bishops’ list of some of the people discarded in our throwaway culture, at www.catholic.org.au/election
