

Climbing Structure

Water play space with pump

Thank you!

A huge thank you to all the wonderful sponsors of the 2017 St Patrick's P&F Fun Run. The students had a fabulous day and worked hard to earn funds for our future Nature Playground. We raised a total of \$10,879.38, (expenses to be deducted when finalised), that will go towards purchasing the structures pictured. An incredible effort from all our students that was made possible through your generosity! Thankyou!
